

## CIA Holds First Annual *Waterpalooza* & Annual Meeting

The First Annual *Waterpalooza* and Annual Meeting were held at the J. C. Raulston Arboretum in Raleigh on October 30, 2014. The Annual Meeting was moved from the Green & Growin' show to this venue to enable CIA to begin an independent education/tradeshaw/networking event.

With over 100 education attendees, specialty speakers, and 20 vendors there was a great selection of CEU's.

The day was an excellent opportunity for peer networking, fellowship, a competitive Cornhole tournament, and good music and food.

The Annual Meeting was open to all attendees and vendors.
